@tifkin_

Fun tool-specific artifact :) For the curious it comes from the [PCRE.NET](#) package that's embedded inside it. Seatbelt/Rubeus/SharpDPAPI each have equally "nasty" tells as well if you want to dive into how they function, as do many/most other offensive tools :)

SharpView, if you've run it on a machine have a look in %TEMP%\ba9ea7344a4a5f591d6e5dc32a13494b you might find a nasty surprise.....
