# AmsiBypass-OpenSession

This code bypass AMSI by setting JE instruction to JNE in assembly of amsi.dll file

## Credits :

The original code and idea is from :

[https://github.com/TheD1rkMtr/AMSI\\_patch](https://github.com/TheD1rkMtr/AMSI_patch)

## steps to Run :

1. You can either download the prebuild exe of file from [release](#) , or can compile your own with help of solution file

2. after having AmsiOpenSession.exe , run it in powershell with pid of the process , where AMSI will be triggered
3. we will be setting pid of current process only so , we will run `AmsiOpenSession.exe $pid`
