Note: Google Safe Browsing sometimes falsely flags these directories as containing "harmful programs". For more information, see Safe Browsing.

AutoHotkey v2.1 (alpha)

AutoHotkey v2.0

AutoHotkey v1.1

AutoHotkey v1.0

Documentation

Online - v1.1

Online - v2.0

Help files in other languages - these are maintained by other volunteers, so are sometimes out of date:

- Chinese (中文)
- German (Deutsch)
- Korean (한국어)

English documentation is included in the installer and zip downloads.

Uninstallation

If you are looking to uninstall AutoHotkey and you are having trouble doing so, please click here for detailed instructions (with pictures).
