# Scan a network in seconds

Free Advanced IP Scanner is trusted by 70 million users

Free Download

Compatible with Windows 11, 10, 8, 7

Advanced IP Scanner

Reliable and free network scanner to analyze LAN. The program shows all network devices, gives you access to shared folders, provides remote control of computers (via RDP and Radmin), and can even remotely switch computers off. It is easy to use and runs as a portable edition. It should be the first choice for every network admin.

Key Features

Easy access to network shares

Remote control via RDP and [Radmin](#)
